LIMIT

This light bar impresses with its low-key design and makes a convincing choice due to the unusual quality of its illumination. Glare-free despite a high light output. Can be installed horizontally or vertically. Used as durable, high performance corridor/stairway luminaire, but also as glare-free mirror luminaire.

A single luminaire. Aluminium profile luminaire in powder-coated silver C3 or any RAL colour. Lateral light output covered with satinized opal silk acrylic diffuser. Luminaire equipped for T5 HE or HO fluorescent lamps with integrated electronic control gear. 3-pole terminal block for through-wiring. Easy wall assembly due to accessible installation housing.
